VBS DECORATION ITEMS NEEDED

PLEASE BRING ITEMS IN AND TO ROOM 109 OR 111

Items to be used and not returned:

- + Cardboard boxes of any size/shape larger than about 1 ft x 1 ft. We need big ones, little ones, medium ones, everything in between except teensy ones! No need to send the teensy ones.
- + Brown Paper grocery bags

Items to be used and returned in (hopefully) the same condition they came in. Please PLEASE firmly attach your name to items you'd like back!

- + Artificial tropical greenery: desert-like (cacti, grasses...), tundra-like (tumbleweeds...), or rainforest-like (palms, banana trees, ficus, ferns...). Australia has a very diverse ecosystem, so chances are we can use whatever plants you may be willing to lend!
- + ANIMALS! Here is a partial list of animals we would love to have peeking around the building - they can be stuffed, blow-up, whatever! ...kangaroos, koalas, dingoes, cockatoos, snakes, lizards, emu, sugar glider, kookaburra, platypus, bandicoot, echidna, turtles, stingrays, Tasmanian devil (not the character), wombat, bats, frogs, spiders.

VBS DECORATION ITEMS NEEDED (CONTINUED):

(continued): Items to be used and returned in (hopefully) the same condition they came in. Please PLEASE firmly attach your name to items you'd like back!

- + Blow-up crocodiles (like the pool toys) - these will not be played on and we will do our best to limit the temptation for kids to climb aboard.
- + Tan/brown cloth. These can be tablecloths, paint drop cloths (with minimal paint splatter, which may be a silly request), curtains, etc.... Anything in the earthy tones, maybe even some grey.
- + Small tent
- + Small kayak for display
- + Wood Pallets - These can be returned, or if you'd rather not have them back that's fine.
- + Large burlap bags
- + 2 car tires (about 18" across or larger). These should, pretty please, be clean. If you haul them out & please give them a good spray down before being awesome and bringing them in.
